CONTEXT

The Ministry of Education have implemented a new Physical and Health Education curriculum to empower students to improve their self-awareness of physical education and health and wellbeing. The curriculum is delivered in all boys and girls schools from KG to Grade 12 across the UAE. The Ministry of Education is leading a change in the education system across the UAE and has Physical and Health Education as a key priority. The aim of the curriculum is to prepare students for a better tomorrow and equip them with the necessary skills to improve their health and wellbeing and effectively manage their lifestyle.

The Ministry of Education has identified the need to raise awareness in this area and promote the benefits of leading a healthy lifestyle. The Physical and Health Education curriculum covers a range of topics aimed to improve the knowledge and understanding of health and physical activity. Our ideal candidate has a range of teaching

PHYSICAL AND HEALTH EDUCATION

experience in the areas of Physical and Health Education. They will be a qualified teacher with an outstanding subject knowledge who has energy, enthusiasm and a passion for motivating students to achieve their full potential. The ideal candidate should be adaptable and have full commitment to the profession. This is an opportunity to join a simply remarkable team who are raising the standard of education across the UAE and empowering students to realize their full potential.

Job Statement

The Ministry of Education require PE Teachers to provide outstanding teaching and learning from KG to Grade 12. As a PE Teacher, you will be an outstanding physical education practitioner who consistently demonstrates the highest standards of delivery. You will be fully committed to raising attainment and acutely aware of the strategies required to achieve the highest standards. You will be the leading example in your school and go above and beyond your duties to ensure the curriculum is delivered to the highest standards and students receive the best possible learning experience. You will be responsible for planning, implementation and assessment of academic initiatives related to improvements in KG to Grade 12 Physical and Health Education curriculum.

Essential Functions

Principal duties and responsibilities: The role will encompass all the following, but the balance of duties and responsibilities will be determined in discussion with the school Principal and your assigned PE Lead Trainer.

The PE Teacher should:

- Be a positive role model to students
- Possess the ability to identify and articulate best practices in the delivery of Physical and Health Education
- Have a working knowledge of Physical Education curriculum standards (or relevant aligned curriculum)
- Organise PE, Health and Sports workshops for students, staff and parents when appropriate
- Organise co-curricular activities including liaising with other schools across the Northern Emirates
- Always conduct themselves in an exemplary manner
- Possess excellent communication and presentation skills
- Possess strong planning and organizational skills
- Demonstrate a positive attitude and passion for the role
- Create a positive learning environment that encourages learning
- Commit to innovation in teaching and learning strategies
- Be confident and professional in appearance and conduct themselves with integrity, ensuring cultural appropriateness
- Be enthusiastic and show a willingness to engage in continuous professional development

You will inspire other staff by:

- Understanding national standards as set by the Ministry of Education with respect to Physical and Health Education and ensuring these are followed and implemented
- Using effective target setting systems for all students within the Physical and Health Education curriculum
- Identifying effective intervention strategies for students within the Physical and Health Education curriculum
- Being an outstanding practitioner and demonstrate a flexible commitment depending on the needs of the role
- Share your best practice to other colleagues in professional development sessions
- Researching the best teaching and learning practices
- Researching the best motivation and classroom/sports hall management strategies
- Keeping up to date with subject specialism knowledge
- Attending meetings and committees as required

PHYSICAL AND HEALTH EDUCATION

- Undertaking such other duties as are commensurate with the post and which may reasonably be required by the senior management team

You will enhance the future of UAE students by:

- Delivering outstanding Physical and Health education to students from KG to Grade 12
- Personalizing the teaching experience to meet the specific needs of your students with consideration for SEN students
- Assessing, recording and reporting on the attendance, progress, development and attainment of students whilst keeping electronic records as required
- Ensuring a high-quality teaching and learning experience, which meets internal and external quality standards
- Preparing and regularly updating training materials
- Using a variety of delivery methods, which will stimulate learning that is appropriate to curriculum standards and meets the demands of the syllabus
- Conducting assessments as requested by the Ministry of Education
- Establishing and supporting partnership events with key stakeholders including students, parents, employers, schools, further and higher education establishments
- Ensuring all students, schools and parents understand the expected outcomes of the curriculum
- Demonstrating innovative strategies in learning and development
- Demonstrating the ability to be self-directed with initiative and be able to solve practical problems with limited supervision
- Demonstrating the ability to embed new forms of innovative Information and Learning Technologies into a practical learning environment
- The post holder may be required to undertake any other duties which may reasonably be required as within the nature of the duties and responsibilities of the post as defined
