CONTEXT

In line with the UAE's commitment to arts and culture, the Ministry of Education see the integration of arts as a fundamental aspect of the child's learning experience. With the aim of fostering artistic creativity and skills amongst the UAE's youth, the Ministry of Education has developed a new Music Curriculum as part of its progressive educational change programme. The Ministry is investing in music teaching experts to support this initiative and deliver the curriculum. This is an opportunity to join a remarkable team who are raising the standard of education across the UAE and empowering students to realise their full potential.

JOB STATEMENT

- To promote a positive teaching and learning environment in Ministry of Education (MoE) schools across the Emirates.
- To empower students to develop and achieve their expressive potential.
- To ensure successful implementation of the new curriculum and assessment strategy.
- To participate in the monitoring and evaluation of the new curriculum and assessment strategy.
- To support a school-wide reform by participating in and organising professional development sessions such as: peer-observations, model lessons, professional development workshops and any other activities that promote effective teaching and learning.

JOB SPECIFICATION

Music Teachers work in teams, led by Lead Teachers and supported by a Sector Specialist, with each member contributing to the continuous improvement of teaching and learning materials and support for students. Music Secondary Teachers are responsible for the successful implementation of the Music Curriculum across Grades 9-12 and are required to do the following:

- Deliver the curriculum according to 21st century teaching and learning principles.
- Model and support a learner-centred, hands-on classroom environment that promotes learner engagement and participation.
- Gain an understanding of working with Arab youth.
- Create a positive, active and creative learning environment that allows learners to express themselves through music.
- Promote and organise student performance opportunities.
- Support the learning process by identifying needs and guiding students to achieve their learning objectives.
- Ensure assessments are delivered according to the assessment strategy and guidelines, in a valid and rigorous manner.
- Maintain an accurate record of student achievement and performance.
- Create positive and effective relationships with colleagues.
