### CONTEXT

The Ministry of Education have implemented a new Physical and Health Education curriculum aligned to UK curriculum standards, to empower students to improve their self awareness of physical education and health and wellbeing. The curriculum will be delivered in all boys and girls schools from KG to Grade 12 across the UAE. The Ministry of Education is leading a change in the education system across the UAE and has Physical and Health Education as a key priority. The aim of the curriculum is to prepare students for a better tomorrow and equip them with the necessary skills to improve their health and wellbeing and effectively manage their lifestyle.

## PHYSICAL EDUCATION LEAD TEACHER

The Ministry of Education has identified the need to raise awareness in this area and promote the benefits of leading a healthy lifestyle. The Physical and Health Education curriculum covers a range of topics aimed to improve the knowledge and understanding of health and physical activity. Our ideal candidate has a range of experience in the area of Physical and Health Education. They will be a qualified teacher/trainer with energy, enthusiasm and a passion for motivating others to achieve their full potential. The ideal candidate should be adaptable and have full commitment to the profession. This is an opportunity to join a simply remarkable team who are raising the standard of education across the UAE and empowering students to realise their full potential.

### Job Statement

As PE Teacher (Lead Trainer) you will be an outstanding physical education practitioner who consistently demonstrates the highest standards of delivery. You will be fully committed to raising attainment and acutely aware of the strategies required to achieve the highest standards. You will be the leading example in your area and go above and beyond your duties to ensure the curriculum is delivered to the highest standard and students receive the best possible learning experience. You will provide leadership and coordination for planning, implementation and assessment of academic initiatives related to improvements in KG-12 Physical and Health Education curriculum.

### Essential Functions

Principal duties and responsibilities: The role will encompass all of the following, but the balance of duties and responsibilities will be determined in discussion with the project manager and curriculum specialist:

#### The PE Teacher (Lead Trainer) should:

- Be a positive role model to teachers and students
- Possess the ability to identify and articulate best practices in curriculum and instruction
- Have a working knowledge of standards-based instruction and assessment
- Conduct themselves in an exemplary manner at all times
- Possess excellent communication and presentation skills
- Possess strong planning and organisational skills
- Demonstrate a positive attitude and passion for the role
- Demonstrate strong communication and leadership skills
- Create a positive learning environment that encourages learning
- Commit to innovation in teaching and learning strategies
- Be confident and professional in appearance and conduct themselves with integrity
- Be enthusiastic and show a willingness to engage in continuous professional development

#### The PE Teacher (Lead Trainer) will be responsible for the delivery of the following key priorities:

- Providing coordination and leadership in the development of a comprehensive KG-12 Physical and Health Education curriculum
- Coordinating the selection of instructional materials, resources, textbooks, technology and equipment needed to support the implementation of the Physical and Health Education
- To monitor and support the overall progress and development of Physical Education teachers
- Assisting in the planning and development of instructional staff development program for teachers, assistants and others to assist in raising the level of student achievement in Physical and Health Education
- To facilitate and encourage a learning experience which provides teachers and students with the opportunity to realise their potential
- To promote and drive the Physical and Health Education curriculum forward in line with the vision of the Ministry of Education
- To provide outstanding teaching/training to maximise teacher performance across a wide and diverse range of topics

## PHYSICAL EDUCATION LEAD TEACHER

- To promote the benefits of improved health and wellbeing in schools
- To ensure all our students are able to thrive and engage in both academic and vocational learning
- To ensure all our students achieve their full potential and become well rounded individuals
- To execute and support the planning and delivery of a diverse program that meets the needs of each student
- To support and challenge teachers of varying levels of ability
- To motivate and inspire teachers and empower them to commit to personal development

### You will inspire other staff by:

- Understanding national standards as set by the Ministry of Education with respect to Physical and Health Education and ensuring these are followed and implemented at all times
- Using effective target setting systems for all teachers and students within the Physical and Health Education curriculum
- Identifying effective intervention and mentoring strategies for teachers and students within the Physical and Health Education curriculum
- Being an outstanding practitioner and demonstrate a flexible commitment depending on the needs of the role
- Share your best practice to other colleagues in professional development sessions
- Researching the best teaching and learning practices
- Researching the best motivation and classroom management strategies
- Attending meetings and committees as required
- Undertaking such other duties as are commensurate with the post and which may reasonably be required by the senior management team

### You will enhance the future of UAE students by:

- Training and upskilling existing Physical Education teachers
- Personalising the training experience to meet the specific needs of curriculum and teachers
- Assessing, recording and reporting on the attendance, progress, development and attainment of teachers whilst keeping electronic records as required
- Ensuring a high quality training and development experience, which meets internal and external quality standards
- Identifying effective intervention and mentoring strategies for teachers within the Physical and Health Education curriculum
- Preparing and regularly updating training materials
- Using a variety of delivery methods, which will stimulate learning that is appropriate to curriculum standards and meets the demands of the syllabus
- Undertaking assessments as requested by the Ministry of Education
- Supporting partnership events with key stakeholders including students, parents, employers, schools, further and higher education establishments
- Ensuring all teachers and schools understand the expected outcomes of the curriculum
- Demonstrating innovative strategies in learning and development
- Demonstrating the ability to be self directed with initiative and be able to solve practical problems with limited supervision
- Demonstrating the ability to embed new forms of innovative Information and Learning Technologies into learning (e.g. Blogs and social-networking sites)

The post holder may be required to undertake any other duties which may reasonably be required as within the nature of the duties and responsibilities of the post as defined.
